Graphical Presentation of Feedback from Students

Strengths

- ✓ **Co-curricular activities:** Students are highly satisfied with the co-curricular activities offered by the college. This suggests that the college provides a variety of opportunities for students to participate in activities outside of the classroom.
- ✓ **Library facility:** Students are also highly satisfied with the library facility. This suggests that the college has a well-stocked library with a variety of resources for students.
- ✓ **Administrative service:** Students are also satisfied with the administrative service. This suggests that the college has a smooth-running administration that can meet the needs of students.

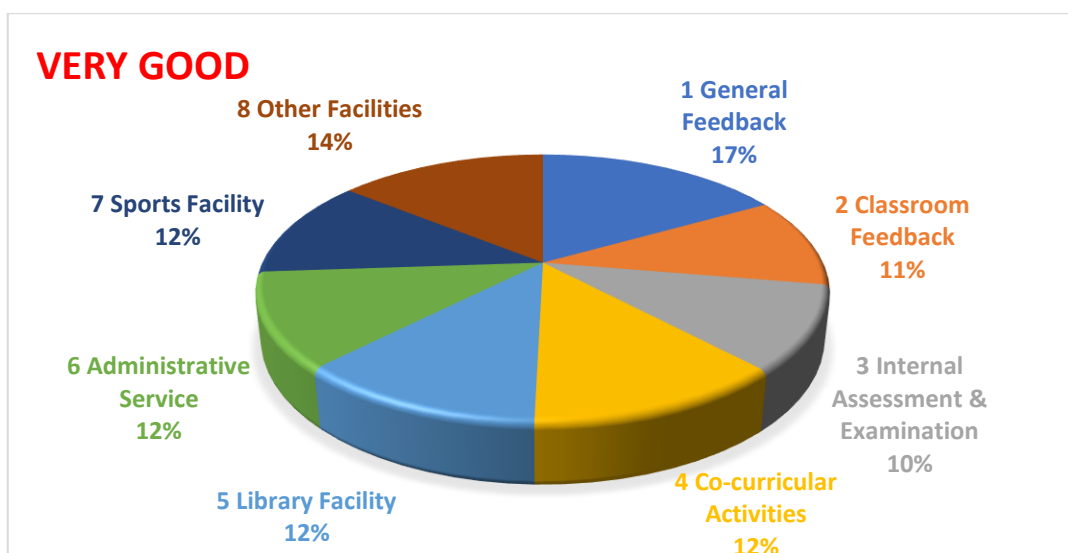

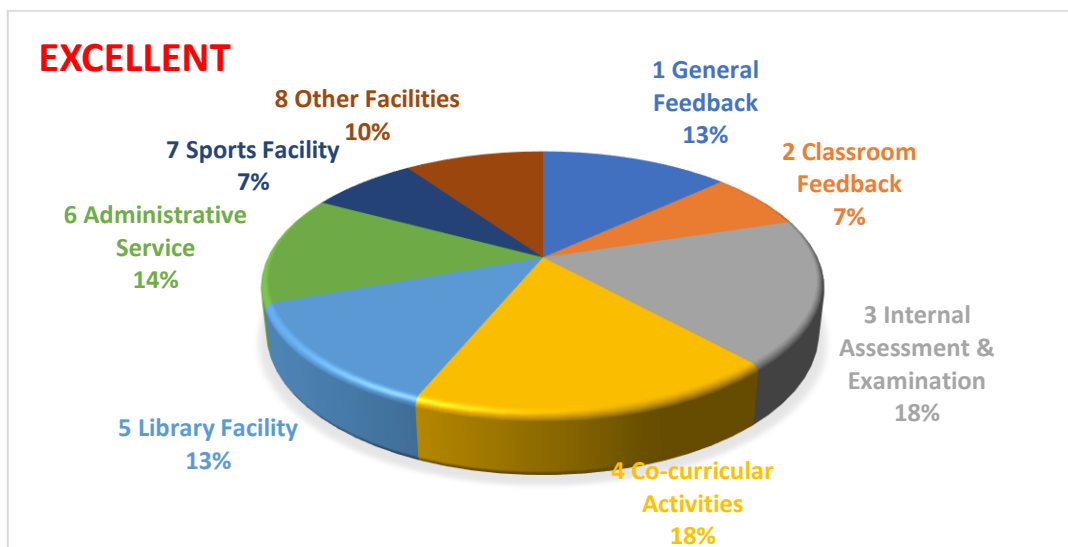

Weaknesses

- ✓ **Sports facility:** Students are the least satisfied with the sports facility. This suggests that the college needs to improve its sports facilities in order to meet the needs of students.
- ✓ **Other facilities:** Students are also less satisfied with the other facilities, such as the canteen, transportation, and medical facilities. This suggests that the college needs to improve its other facilities.
