BEST PRACTICE 1

- 1. Title of the Practice:** Public awareness about liquor ban
- 2. Objectives:** Is to improve public health, social safety, and cultural concerns.
- 3. The Context:** The sale and consumption of alcoholic liquor are prohibited in the Gadchiroli district. However, despite the ban, some people illegally engage in the import, export, transport, manufacture, possession, and sale of alcohol. Alcohol consumption can negatively affect social relationships, work, family life, and finances. It can also lead to legal issues and incidents of violence. Furthermore, alcohol can disrupt educational responsibilities and impair cognitive functions and physical capabilities. We aim to educate students and the local community about the harmful effects of alcohol addiction and the importance of prohibition.
- 4. The Practice:** Our college NSS department can actively take programmes to avoid liquor consumption. Also Dr. Abhay Bang, Dr. Rani Bang SEARCH institute and NSS jointly organised programmes like street play on public places on campus. Long –term alcohol consumption contributes to more than 200 different types of diseases and injury. It have a wide range of negative effects on society, including health, economic and social consequences. Help students understand that they can make better choices also discuss how alcohol slows down the body and mind, and how it can alter a person's perceptions, emotions, movement, vision, and hearing.
- 5. Evidence of Success:** Local peoples actively participated in the activity and encouraged the students.

Best Practice 2

- 1. Title of the Practice:** Distribution of Educational Materials in Schools
- 2. Objectives:** To provide students with the tools they need to learn and succeed. This can help reduce dropout rates and ensure that students have access to a quality education.
- 3. The Context:** Relying on memory of Late. Rameshchandra Munghate Former Chairman of the Institution Shri Saibaba Gramin Vikas Sanstha Gadchiroli, we distributed educational materials in school. It is important to rural area student to provide basic materials they need to stay in school. It helps rural area students to learn effectively. Our former chairman mainly focused on underprivileged students for education to established our institution.
- 4. The Practice:** Providing basic materials to the underprivileged students is a fundamental step towards empowering children and breaking the cycle of poverty. This goes beyond merely enrolling them in schools. A small village Kanhartola located near Dhanora. Class 1st to class 4th ZP school is available for village children. We distribute students need school materials like Notebooks, Pen, Pencil, Rubber, Sketch pen, Scale etc. which makes education is divine and nothing can be noblest than helping students to complete their education.
- 5. Evidence of Success:** Distribution of Educational materials to needy children is first step to make interest to study and motivate to enrol in schools successfully.
- 6. Problem:** No significant issues were encountered during the practice.
